Letter No.C.2607 dated 24-3-42, from the Senior Surgeon with the Government of Mysore, Bangalore to the A.R.P. Controller, Bangalore City.

I have the honour to state that with the introduction of A.R.P. Scheme in Bangalore and Mysore, the volume of correspondence in this office has increased considerably and I find that a separate clerk will be absolutely necessary for attending to this special work in my office. Enquiries are being received from all quarters about the supplies of equipment articles, training of candidates, purchase of materials etc., and as all these records will have to be classified and kept in order, so as to be readily available at any emergency, I request you to obtain early sanction of Government for deputing one of the senior clerks of your office, (preferably one who knows typing) to be attached to my office for attending to this work, for the period that this scheme is in force.

I request you to take very early action in this behalf.

KVN. For Inspector General of Police.

Subd. for perusal. The Senior Surgeon has requested ~~th~~ the A.R.P. Controller to depute a senior clerk from the latter's office (preferably one who knows typing) to be attached to the former's office for attending to A.R.P. work. But the I.G.P. states that there are no clerks available in the A.R.P. Controller's office. The Senior Surgeon wants an experienced clerk. The deputation of a clerk from any other office or the appointment of a fresh candidate is for orders.
